2013 Corporate Wellness Leader

Tim Riley, Sr. VP at Nektar

Tim's role as the Wellness Leader is to promote and support our company's Wellness and Alternative Commuting programs.

Nektar is currently promoting the BAND program as a part of our Wellness Works initiatives. BAND incorporates four different target areas our employees will concentrate on for the month.

Yearly Corporate Thrive Challenge

Nektar sponsors a company-wide Wellness Challenge called Thrive Across America where teams compete and log in their exercise for the day which can include employees daily biking or walking to commuting stations.
